

Hi GPE Community,

Please see the attached and the table below. The GPE PTHC has exhausted all of the articles 10.19 and 10.20 in assigning these courses to professors. We have CUPFA permission to seek candidates from outside the membership. Can you please “beat the bushes” for suitable candidates in your networks and have them e-mail me expressing their interest and willingness to teach. Note candidates must be: Canadian citizens, Landed Immigrants, or on an “open” work permit.
